

HONORING THE LIFE OF CUMBERLAND COUNTY SHERIFF EARL BUTLER

HON. DAVID ROUZER

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 29, 2022

Mr. ROUZER. Madam Speaker, I rise today to honor the life and legacy of Cumberland County's longtime former Sheriff, Earl Butler. Following a battle with leukemia, Sheriff Butler passed away while surrounded by his family at the age of 84 years old.

Butler served as sheriff of Cumberland County for 22 years before retiring in 2016. He was beloved by his community, his family and friends, and his law enforcement colleagues. He believed in his work, and he was passionate about giving back to his community and keeping its citizens safe.

He helped make the Sheriff's office a fully accredited law enforcement agency, increasing their ability to fight crime and protect the community. He also led the building and development of a new detention center, and he was the founder of the Shop with A Sheriff Program which helps provide a memorable Christmas to less fortunate children within Cumberland County. Sheriff Butler and his wife, Julia, were dedicated members of Massey Hill Baptist Church where they attended every Sunday and he taught Sunday school.

The contributions Sheriff Butler made to Cumberland County were numerous. He made Cumberland County a better place to live leaving behind a great legacy that will be felt for years to come.

Sheriff Butler's was a life very well-lived, and I extend my deepest condolences to his family and friends. He will be long remembered and cherished in the hearts of all who knew him and those for whom his influence touched.

HONORING WES WAGESTER FOR HIS SERVICE TO THE ALMONT TOWNSHIP COMMUNITY

HON. LISA C. McCLAIN

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 29, 2022

Mrs. McCLAIN. Madam Speaker, I rise to recognize a distinguished public servant of the Almont Township community, Wes Wagester.

For over 30 years, Wes has served his community with honor and selflessness. He has served as a member of the Almont Township Parks and Recreation board, and since October 1991, has been a dedicated member of the Almont Michigan Lions Club. Recently he assisted in the installation of new playground equipment at Almont Community Park, which will be enjoyed by families of the community for years to come.

It is really no surprise that Wes dedicated decades of his life to his community. In the first part of his life, he served his country as a member of the United States Navy.

Our country and state have been honored to have him as our own. I applaud Wes for the service he has given to his beloved community. He has been a pillar, and the example he set will be hard to follow. I know Wes will continue to give his time to Almont whenever he can, and I wish him the best in whatever endeavors he next takes.

MARCH CONSTITUENT OF THE MONTH KAILLIE HUMPHRIES

HON. MIKE LEVIN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 29, 2022

Mr. LEVIN of California. Madam Speaker, it is my honor to recognize Carlsbad resident and Olympic athlete Kaillie Humphries as my Constituent of the Month for March. Kaillie has had a long and extraordinarily successful career as a bobsled athlete, including four Olympic medals and five championships in the International Bobsleigh and Skeleton Federation (IBSF) World Championships, making her the most decorated woman in bobsled history. She had won two gold and one bronze medal for Team Canada in previous Olympic competitions, and this year, she won gold in the monobob event for Team USA. She is the only female athlete in Olympic history to have earned Olympic gold medals for two nations.

Kaillie had to overcome significant adversity during her journey to the 2022 Winter Olympics. After leaving the Canadian team due to abuse and harassment she endured, Kaillie began the arduous process of becoming a United States citizen with little time to spare before the games, all while continuing to train vigorously for the competition. As a Carlsbad resident and constituent of mine, Kaillie reached out to my office for help. With assistance from my staff, Kaillie became a United States citizen just two months before the Olympics began, allowing her to compete for Team USA. It is hard to overstate the stress and pressure Kaillie experienced, but she persevered and ultimately made our CA-49 community and our entire country very proud.

Kaillie is not only an extraordinary athlete, she is a person of integrity and upstanding

character who is an excellent role model for all of us. It is my honor to recognize her as our Constituent of the Month, particularly during Women's History Month.

HONORING INMAN AND NELLIE MOORE

HON. JUDY CHU

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 29, 2022

Ms. CHU. Madam Speaker, I rise today to honor the lives of Reverend Inman Moore, who passed away on January 26, 2022, at the age of 96, and his wife, Nellie Moore, who passed away on February 6, 2021, at the age of 95. Inman and Nellie were stalwarts in the San Gabriel Valley, dedicated to leaving their community better than they found it. And they did just that.

Nellie Moore was born in rural Southern Mississippi in 1926 as an only child to a single mother after her father died of pneumonia right before her birth. Nellie married Inman Moore in 1947, and she dedicated herself to being a minister's wife, becoming an active member of the church communities that she and her husband joined. After settling in Pasadena in 1970 with her husband and children, Nellie served as an administrative assistant at the famous Jet Propulsion Laboratory and later started and ran two successful businesses in Pasadena alongside her husband.

Inman Moore was born on September 8, 1925, in southern Mississippi. While he intended on attending medical school, Inman's plan changed following his service in the Navy during World War II. Upon returning home, he enrolled in Millsaps College in Jackson, Mississippi and decided to follow in the footsteps of his father, a Methodist minister, by receiving a graduate degree in theology from the Candler School of Theology at Emory University in Atlanta, Georgia.

Inman went on to serve in various churches in Mississippi, a segregated state, during the rising civil rights movement of the 1960s. He was a founding member of the Mississippi Human Relations Council, an interracial organization dedicated to improving race relations through educational programs. Additionally, while serving as pastor at the renowned Leggett Memorial United Methodist Church in Biloxi, Mississippi in 1963, Inman was one of 28 Mississippi Methodist ministers who signed a "Born of Conviction" statement opposing the perpetuation of a segregated society.

Inman, Nellie and their children then relocated to California in 1963 where Inman became a pastor at the Palmdale United Methodist Church and later became a minister at the Crescenta Valley United Methodist in La Crescenta. In 1970, Inman retired from the ministry and started two successful Pasadena companies with Nellie: Moore Vending and Tournament Souvenirs. After nearly 30 years in business, Inman and Nellie sold their companies and retired in 1997.

Years later, when Grace United Methodist—a predominantly Black congregation in Altadena, CA—lacked the funding to afford a full-time minister, Inman came out of retirement without hesitation to serve as their part-time minister for four years. Inman even came out of retirement a second time to serve as associate pastor at the First United Methodist in
